TapHere! TECHNOLOGY

We are a small business that specializes in **Systems/Software Engineering** and **Global Mission Support Services**. Our employees work and support customers in the Washington, DC Metro Area; Tampa, FL; Evergreen, CO; and overseas locations.

Our mission is to **exceed requirements & lower cost of ownership** for our customers using **innovative solutions**.

Our core values:

- **Honesty** in everything we do, all the time. *No exceptions*.

- **Accountable** for what we say we'll do. *It's that simple*.

- **Going the extra mile** for our customers. *We'll even give them two extra*.
