Tags

## Consumer & Amateur

Tune & record 100KHz - 6GHz

## Public Safety

Consumer + APCO25 + rugged HW

## Military & Defense

Public Safety + Transmit + MIL waveforms/security

## Custom Use Cases

Sensors/Tags for Command & Control

SATCOM Radio

Broadcast multimedia content

Record RF where National Assets cannot reach

## TapHere!® Radio **Benefits**

- Communications without your IP network
- SWaP & cost savings
- Interoperability
- Open architecture
- Multiple commodity platform options
